*A traditional Savoyard farmhouse
providing all-year luxury accommodation
in an idyllic Alpine setting*

La Ferme du Chateau

Originally built in 1680 to provide fruit and vegetables for the local Chateau

La Ferme du Chateau now finds itself in the centre of the lively French village of La Chapelle d'Abondance within easy walking distance of the local amenities including 2 of the best restaurants in the valley, a real ale pub and some of the best skiing and hiking country in the Alps.

We have spent the last 12 months renovating the property to transform the traditional old Savoyard farmhouse into luxury accommodation offering all the benefits of modern comfort yet retaining the beautiful architecture of the region. We believe that our clients old and new will love the property for its spaciousness, comfort and above all else homely feel.

The Ski Area

La Chapelle d'Abondance, like Chatel, forms part of the vast Portes du Soleil ski region and is only 40 minutes from Lac Lemane and 90 minutes from Geneva airport. The Portes du Soleil offers 650 km of pisted runs and lots of off-piste adventures as well as 35 km of cross country (ski nordique) tracks and stunning trips for those who enjoy an outing in ski shoes (raquettes).

Running through the middle of the ski region is the French/Swiss boarder and some of the other resorts which make up this stunning ski area include Morzine, Les Gets and Avoriaz on the French side and Champéry, Les Crozets and Morgins on the Swiss side.

Relax in Style

La Ferme du Chateau has 5 en-suite bedrooms, all of which have shower and bath facilities, all of which can be either twin or double bedded and 4 of which can be family rooms with plenty of space for additional beds and access to a south facing balcony and sunken jacuzzi.

The main living and dining area is in the old 'grange' of the farmhouse which makes it very spacious, light, with high ceilings and 4 French windows leading to a second south facing balcony. This area offers lots of comfy sofas all centred around a stunning log burning fire making it the ideal spot in

which to chill, relax, nibble the canapés and sip your aperitif!

Excellent food, wine and service are our speciality. We offer a cooked breakfast along with fruit and cereals each morning, homemade cakes and biscuits with afternoon tea each day and an excellent 4 course evening meal with specifically chosen wine on 6 evenings. Children's supper is available for the younger skier and we will accommodate any particular dietary requirements.

Activities for the Summer

The Abondance valley offers plenty for those who either prefer the mountains to the beach for their summer holiday or those who fancy a short break during the summer or autumn months. The mountains are green, full of birds and animals, the flora and fauna is stunning and there are areas open to the hiker and mountain biker which are just not accessible in the winter.

walks and mountain bike tracks in the village
Several 18 hole golf courses in the area including the championship course at Evian.

Via ferrata, mountain climbing, randonneing or just walking

Rafting and canoeing on the local river and many water sports on Lac Lemane

If a more relaxed approach is required there is always lunch on a paddle steamer on Lac Lemane or in one of the traditional mountain restaurants.
